* This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 06/20/2016. As of 06/20/2016, two full years of data for this program will be available.

Definitions

- "Number of Students who Began the Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
• "Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for Graduation," which means those students who have died, been incarcerated, or called to active military duty.
• "Graduates" is the number of students who completed the program within 100% of the published program length.
• "Completion Rates" is the number of Graduates divided by the Number of Students Available for Graduation.
